MUNICIPALITY / MUNISIPALITEIT

Notice to all asbestos Contractors

30 May 2022

It has come to the municipality's attention that there are contractors renovating and fixing roofs in Pampierstad purporting that they have been appointed by the municipality in return to claim for the work done.

Kindly be advised that the municipality has resolved to stop all renovations work at Pampierstad asbestos houses.

The municipality will not be held liable for further payments for work done after publication of this notice.
